

NEWS OF CITY AND  
COUNTY CONDENSED

Mrs. J. Porter Smith of Wacahoota in the city on a visit to her daughter, Mrs. O. C. Pedrick.

H. Crook, representing a Baltimore millinery house, and one of the most widely known commercial salesmen in his territory, left yesterday for Ocala, after working the trade here.

Miss Nannie McIntosh, one of the efficient teachers in the Gainesville graded and High School, went to her home at Rox yesterday, where she will remain for a couple of days.

Little Miss Lillian, the charming daughter of Mr. and Mrs. Jesse Clark, has gone to Lawrenceville, Va., where she will spend the summer with her grandparents, Mr. and Mrs. George B. Clark. Mr. and Mrs. Clark expect to follow in a few days.

The Standard Naval Stores Company of Jacksonville has an advertisement in this issue which will prove of interest, and perhaps profit, to the naval stores producers of the State. The advertisement, which will be found elsewhere, explains itself.

Sheriff Fennell has gone to Pensacola, where he will take into custody Tom Johnson, wanted in this county upon a charge with intent to murder. Johnson was arrested by the sheriff of Escambia county upon instructions from the authorities here.

Arthur S. Harris, formerly of this city, where he held a lucrative position with S. J. Thomas, but now making Valdosta his home, was at the Brown House yesterday. Mr. Harris

is now traveling for the Georgia Supply Company, dealers in mill supplies, and states that he is enjoying a successful trade. His friends here were glad to see him.

N. A. Callison, the clever manager of the Spring Park stock farm, was in the city yesterday. Mr. Callison probably entertains more company than any half-dozen people in the county combined. There were only thirty-five visitors to his home during Sunday.

Among the prominent visitors to this city yesterday was D. E. Horn of Live Oak, cashier of the First National Bank of that city. He was en route home from McIntosh, where he attended the session of the Presbytery of the Suwannee, of which he is a member.

Wanted—Bids to construct cesspools at county jail. Any persons desiring to bid may secure plans, specifications, etc., of the undersigned, Gainesville, Fla. Bids will be opened at the regular meeting in May, which will be May 2. The Board of County Commissioners reserves the right to reject any or all bids. C. C. PEDRICK, County Commissioner. d22-2t

W. W. Ashley and sister, Mr. Elizabeth Smith, have returned from Miami, Palm Beach and other points on the East Coast, where they have been sojourning for the past week. They were delighted with that section, which they enthusiastically declare to be "the garden spot" of the earth. They will be content to remain in Gainesville, however.

Mr. and Mrs. Joseph Patton and two children of Tarpon Springs returned to their home yesterday, after several days spent in this city. Mr. Patton is a dispatcher in the employ of the Atlantic Coast Line, and has been acting relief here, Dispatcher Chas. W. Parham having been confined to his bed with lagrippe. Mr. Parham, however, resumed his duties last night, and his friends will be glad to see him out again.

Rev. L. R. Lynn, formerly of High Springs, but now pastor of the First Presbyterian Church at Palatka, was in the city yesterday. He was in attendance at the meeting of the Presbytery of the Suwannee, McIntosh, and joined his wife and baby, who have been on a visit to the former's brother, Mr. Lynn, here. They returned in the afternoon for their home. Mr. Lynn's numerous Gainesville friends were pleased to meet him again.

One of the handsomest and most appropriate Easter window displays ever seen in this city is the north window of the store of L. J. Burkheim. The bottom of the case is covered with earth and beautiful green grass, with a background of pine and palmetto. There are two dummies appropriately attired, with a "sprinkling" of gentlemen's furnishings here and there about the window. There are "biddies" and "bunnies," but one of the most attractive features of the display is a live hen with nine little chicks. The effect is the idea of Messrs. Burkheim and J. F. Burnett, and the result of Mr. Burnett's work which displays great taste. The sight is worth a trip to the store.

## Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." Sold by J. W. McCollum & Co.

## Picnic at Micanopy.

The Ladies' Cemetery Association of Micanopy have decided to hold a basket picnic on the beautiful and romantic banks of Tusawilla lake May 3. The public is cordially invited to attend. The ladies will sell refreshments, and the proceeds will be used for the benefit of the cemetery. The affair will no doubt prove a big success.

## A Thousand Dollars' Worth of Good.

"I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain," says A. H. Thurnce, a well known coal operator of Buffalo, O. "I got no relief from medicine until I began taking Foley's Kidney Cure; then the result was surprising. A few doses started the brick-dust-like substance and now I have no pain across my kidneys and I feel like a new man. It has done me \$100 worth of good." Foley's Kidney Cure will cure every form of kidney or bladder disease. Sold by J. W. McCollum & Co.

Heart  
Weakness.

Dr. Miles' Heart Cure has made many hearts well after they have been pronounced hopeless. It has completely cured thousands, and will almost invariably cure or benefit every case of heart disease.

Short breath, pain around heart, palpitation, fluttering, dizzy, fainting and smothering spells should not be neglected. Take Dr. Miles' Heart Cure and see how quick you will be relieved.

It cannot make a new heart, but will restore a sick one by strengthening the heart nerves and muscles, relieving the unnatural strain, and restoring its vitality.

"I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing corn and feeling bad all day; in the afternoon in plowing one row I had to lay down, or fall down, three times. My heart throbbled as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Previously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerable for an old man, 54½ years old."

H. D. McCallum, Frost, Ohio.  
Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.
